

New from Make the Grade Training Solutions!

Half Day Beginner SMART Training Events

April 17 - Chicago Area

May 17 - Northwest suburbs

Cost - \$149 per person

We have had a number of requests for inexpensive options for individuals to participate in beginner SMART training events. In this hands-on workshop, participants will:

- gain exposure to the latest *SMART Learning Suite* features including *SMART Notebook* software, *SMART Lab*, *SMART Response 2*, and more
- learn how to use more effective pedagogy to strengthen student engagement and learner outcomes
- have access to a highly skilled SMART trainer who can answer a multitude of questions and offer SMART tips and tricks
- work in a collaborative environment with other teachers and instructional coaches
- receive a variety of handouts, resources and *SMART Notebook* lesson files to jumpstart lesson design and delivery

Call 815-814-4281 to ask questions and register for this event.

Seats will fill quickly!
